About 2hopewell General Information

2 Hopewell is all about the food! With an upscale decor, yet a very casual atmosphere, our completely renovated neighborhood bistro embodies the very best in Connecticut dining.

Using only natural meats, cut and portioned daily on premise, and fresh ocean seafood, we strive to make each dish special and unique. The very best ingredients, in combination with local and organic produce from a number of local farms inspires us to create wonderful preparations that our patrons can enjoy each time they visit.

Our establishment reflects our passion for delicious food paired with an environment where our guests can relax and enjoy a meal together. We look forward to sharing our vision with you!
